I would like to receive email reminders of CSA details

Share Options (prices include delivery - see map)

Large Harvest – Includes a full weekly delivery** of fresh picked produce delivered to your door.
\$800 Feeds a veggie loving family of 4

Small Harvest – Includes a smaller weekly delivery** of fresh picked produce delivered to your door.
\$450 Feeds a couple or small family

Share a Share – Specify any amount you wish to contribute towards a weekly harvest for a family
\$_____ in need.

**See attached delivery area map. Boundaries can be flexible, contact us if your not on the map.

Discount Option – I like to save money and visit the The Back 80!

A **\$75** discount is offered if you choose to pick up your weekly harvest at the farm.

Member Agreement

I understand that participating in a CSA is based on the idea of a shared risk. In the event of severe weather or crop damage the weekly harvest delivery may be less. Although severe damage to the entire crop is rare, The Back 80 may at their discretion refund a portion of the members cost or apply a credit to the next season. In the event of excellent weather and the harvest is bountiful, I agree to receive extra and be creative in my kitchen or share with a friend. At time of delivery/ pick-up the harvest basket from the previous week will be available for exchange.
